

HOW YOU CAN SERVE!!

In years past, part of our Vacation Bible School has been going to Care Centers to minister to the residents. Because of the necessary changes to our VBS this year, we are asking participants to draw pictures and send cards or notes to several of our members who are homebound.

Each week you will receive two names and addresses to mail these greetings to or you may drop them off at the church office for mailing.

These greetings will be greatly appreciated by the receivers whether you know them or not! Consider writing, under your name, from your Risen Savior family" to help them know who the card/picture is from if you don't personally know them.

PARENTS, please help your children with this project! Contact the church office if you have questions.

Duane Steinert
2455 N. Woodlawn, Apt 324
Wichita, KS 67220

Bonnie Casterline
10550 E. 21st St., Apt 305
Wichita, KS 67206

Another way you and your family can serve is by gathering school supplies for Gammon Elementary School. There are many students at this school that need our help with supplying these items. Be sure to look over the "green" insert in this packet to get complete details!!
